Chickens Better Than Mines

Figures show that the chickens in the state of Iowa alone produced eggs worth more in actual cash than the cash value of all the products of all of the mines of all kinds in Colorado—and Colorado is some mining state too.

That's not surprising to those who know the modern chicken. The chicken instead of being a side issue nuisance merely tolerated as it used to be on many farms, is today becoming a valuable mortgage lifter and profit producer.

What's responsible:

- 1st. Know how.
- 2nd. Good chickens
- 3rd. Proper housing

The last is just as important as the first two. You can't make a success of chickens without all three. We can help you with the last. Make your chickens pay. Start now.

HOLSTEIN SALE

Harry Tubbs, who is fast establishing a record as a Holstein breeder, shipped to Frank R. Crandall, at Howell, a car of Holsteins consisting of five yearling and six two year old heifers, all registered. He received for the eleven head a handsome price of \$2700. They were certainly the finest herd ever exhibited in Alma. Harry informs us that he still has twenty six head left, mostly milch cows that are just as good if not better than those just sold. Considering the fact that he has been in the business less than three years he may justly be proud of his success.

STUDEBAKER SERVICE

STUDEBAKER service means something more than the assurance of always being able to furnish you with repair parts promptly and at a reasonable price.

It means something more than more than expert competent garage labor, furnished promptly, intelligently and at a reasonable cost.

STUDEBAKER SERVICE MEANS ALL THIS, AND IT MEANS IN ADDITION, AN EDUCATION TO NEW OWNERS ON HOW TO TAKE CARE OF A CAR.

Many owners of STUDEBAKER cars must take care of their cars themselves.

Although the STUDEBAKER car is the most simple and accessible car on the market, the average owner should not be expected to understand it without being taught something about the care of his car.

This is what STUDEBAKER Service contemplates.

When you buy a STUDEBAKER car you are given a free course in instruction on how to take care of your car, and to get the most out of it.

This, we believe, is really the greatest service that STUDEBAKER can give you. The greatest assurance STUDEBAKER can give you is that you will be able to GET THE MOST OUT OF YOUR CAR.

SURPRISE PARTY

On Wednesday night, it being Henry Bansill's 65th birthday, Mrs. Bansill invited in twelve of his gentleman friends and gave him a thorough surprise. The evening was spent in card playing and at 11 o'clock the company were ushered into the dining room where a banquet was served. After the banquet, Sam Case in well chosen words presented Mr. Bansill with a gold headed umbrella. Each and every one expressed themselves as having a fine time and that Mrs. Bansill is some hostess.

BOOSTER MEETING

The Alma Commercial Club will give a lunch and smoker at Weese Hall Friday night. A program will be arranged and a big time is anticipated. Every person interested in retaining the Republic Motor Truck Co. in Alma should turn out and help boost. It is now time to act, not talk, and if Alma people want this institution to remain, come to this meeting and learn how it can be retained. It is up to ever one of us now.

DR. A. B. SPINNEY ARRESTED

A. B. Spinney, formerly manager of the Alma sanitarium, is in trouble again. This time he was arrested at Flint for publishing illegal advertising in violation of the state law. His son John D. of this place, went to Flint, and secured his release on bail and the finish is still to come. Dr. Spinney is seventy nine years old notwithstanding which he is conceded an able physician. His methods are very unprofessional and distasteful to people in this age.
